

INVITATION TO EXHIBIT

OCTOBER 20-23, 2015

DE DOELEN
ROTTERDAM
NETHERLANDS

AQUACULTURE, NATURE AND SOCIETY

Aquaculture Europe 2015 will focus on the role and contribution of aquaculture to the management of natural resources and its importance in society through the provision of high quality, nutritious and healthy food. These are the main thematic areas that will be addressed during the plenary sessions. European and national research is providing highly innovative and integrated solutions to support development and the outputs of this research will be presented in the AE2015 parallel sessions

that cover the full scope of European aquaculture and comprise submitted oral and poster presentations.

AE2015 will also feature an international trade exhibition, farmers' days (focusing on RAS and shellfish culture), student sessions and activities, satellite workshops of EU projects and initiatives and updates on EU research.
