

AQUA 2012 Farm Tours

Immediately following AQUA 2012, two special one-day farm tours will allow delegates to visit farming activities and typical historical monuments in the Czech Republic.

The first tour will focus on **Carp pond aquaculture**, including the visit of the biggest fish farm (Fishery Trebon Ltd.), with its the biggest traditional fish pond (“Rozumberk pond”) of 647 hectares (Fig.1) and fish stew (Fig.2). Special visit in the traditional local brewery Regent in Trebon town (Fig.3) will be organized for participants of this tour. The technology for the production of typical Czech beer will be present with special testing of Czech beer produced in South Bohemia. After the testing of beer, very short tour will be done around historical center of old town Trebon where Fishery Trebon Ltd. residents. Thereafter, lunch will be served in typical fishery restaurants „Supina“ and „Supinka“ nearby historical square of Trebon town. After lunch, the tour will continue to visit Fishery Nove Hradky Ltd. with a typical carp stew (Fig.4) and a modern hatchery (Fig. 5). Participants of this tour will return by bus back to Prague from Nove Hradky.

Price: 90 euro per 1 person (including bus transport, lunch and brewery excursion)

Minimum participants: 25

Maximum: 40
