to Meet Seafood Demands*

SCIENCE & INDUSTRY joining forces to meet seafood demands

The World Aquaculture Society (WAS) has decided to hold the Annual Latin American & Caribbean Chapter, WAS meeting (Lacqua 2015) and the first Regional World Aquaculture 2015 (RWA'15) in Fortaleza, Brazil. The Associação Brasileira de Criadores de Camarão (ABCC) has decided to work with WAS/LACC to join LACQUA15/RWA'15 with FENACAM'15 including the XII International Shrimp Farming Symposium and the VIII International Aquaculture Symposium.
