Conference Sponsors

Northern Territory Government Department of Industry, Tourism and Trade

JAMES COOK UNIVERSITY AUSTRALIA

WAS Premier Sponsors

Invitation

Darwin is proud to be hosting World Aquaculture for Australia for the first time since 2014.

This annual event will incorporate the Australiasian Aquaculture industry and will see several thousand attendees from around the world converge on the city of Darwin

Contributions to developing new and existing ideas to stimulate this vital industry are welcome. With almost half of the world's consumption of seafood coming from farms, aquaculture is playing an increasingly important role in meeting the challenge of global food security.

World Aquaculture 2023 (WA2023) will be an opportunity for the international aquaculture community - academics, industry researchers, market and industry analysts, government officials, policy makers and industry representatives to present their work and exchange ideas and develop a vision for the future of the aquaculture industry as we focus on the theme of *"Supporting Strength in Aquaculture"*

An event not to be missed - WA2023 will offer a chance to gauge the sector's progress, whilst we discuss and debate the issues, ideas, mechanisms and hands-on practical approaches towards building a better industry. In addition there will be ample opportunity to network during both structured and free-flowing events.

On behalf of the WA2023 Steering Committee, we look forward to seeing you in Darwin.

Jennifer Cobcroft
Chair - World Aquaculture 2023

World Aquaculture 2023 in the Northern Territory

World Aquaculture 2023 will be held in Darwin, NT Australia with involvement from countries throughout the Asian-Pacific region and around the world. Darwin is the ideal location for WA2023, in close proximity to the expanding Australian industry, and to around 89 percent of the world's aquaculture from major production regions in Asia. Therefore 2023 is the perfect time for the world aquaculture community to focus on Australia. A major international trade show at World Aquaculture 2023 is the place to learn about the latest aquaculture technologies presented by exhibitors around the world.

Destination

With an abundance of beautiful wide-open space, it's the ideal destination for independent travel and a socially-safe distant holiday experience. From art and culture, nature and wildlife, outdoor adventure to stunning national parks, there's something for every type of traveler here.

Explore what your next holiday adventure could be. Get off the beaten track and discover the diverse landscapes of the Northern Territory - on four wheels or two, on the water or in the air. View rare species of flora, native wildlife and birds around the many established walking trails, swimming holes and camping areas in the Northern Territory.

See the bigger picture on the Territory Art Trails. The Territory is a living, growing exhibition 65,000 years in the making. It's a 1.3 million square kilometer canvas where art comes to life.

Click on link below to get more details on the wide range of activities available in the Northern Territory.

Program

An extensive Conference Program featuring special sessions, contributed papers and workshops on all species and issues facing aquaculturists around the world. Sample topics will include:

- Algae
- Aquaculture: Create, Nurture, Grow AquaEd Workshop 2023 incorporating Education, Extension and Technology Transfer Aquaponics
- Aquaponics
- Asian Aquaculture
- Banking, Finance and Insurance
- Biosecurity
- Crustacean Nutrition, Health & Disease, Genetics, Husbandry & Environment
- Ecology & Environment - Climate Changes, Sustainable Aquaculture, Standards & Certification
- Economics & Social Sciences - Marketing & Promotion, Trade, Policy & Regulations
- Farmer's Day
- Finfish Nutrition, Health & Disease, Genetics, Husbandry & Environment
- General Aquaculture
- Hatchery Technology
- Integrated Aquaculture / IMTA
- Logistics
- Markets & Marketing
- Mollusc Nutrition, Health & Disease, Genetics, Husbandry & Environment
- Open Ocean Aquaculture
- Ornamentals, Novel & Emerging Species
- Processing and Post Harvest Technologies

- Production Systems
- Pacific and Indigenous Aquaculture
- Recirculating Aquaculture Engineering
- Stock Enhancement
- Seafood & Health
- SBT - Covering all aspects of this prominent SA species
- Women in Aquaculture

SPECIAL SESSIONS

(To Date-check the website for updated lists)

- Climate Change Ready - management strategies for the future
- Oceanography and Aquaculture
- Amoebic Gill Disease (AGD): international research status
- Early Mortality Syndrome (EMS) of Shrimp/Prawns
- Pacific Oyster Mortality Syndrome (POMS)
- Technical Advances for Finfish Cage Culture
- Harmful Algal Blooms
- Improving Energy Efficiency in Aquaculture Operations
- Branding & Marketing - What works for me?
- Social License to Operate
- Post-harvest Product Quality
- Emerging Industries: New and Upcoming Species and Farming Techniques
- Communication - Media and Social Media

CALL FOR PAPERS - SUBMIT YOUR PAPERS NOW!

DEADLINE: March 15, 2023

WA2023 represents an excellent opportunity via its extensive technical program to showcase the latest developments in the aquaculture world. The WA2023 Committee encourages the submission of high quality oral and poster presentations in line with the theme of "Supporting Strength in Aquaculture."

We strongly encourage authors to consider poster presentations as the poster session will be an integral part of the program. Papers submitted for oral presentation only may not be accepted as oral presentations due to the limited number of available time slots.

All abstracts must be in English - the official language of the Conference.

Each oral presenter shall be entitled to no more than 15 minutes for a presentation, plus 5 minutes for questions. Oral presentations should use PowerPoint. Overhead projectors and video players will not be available or allowed.

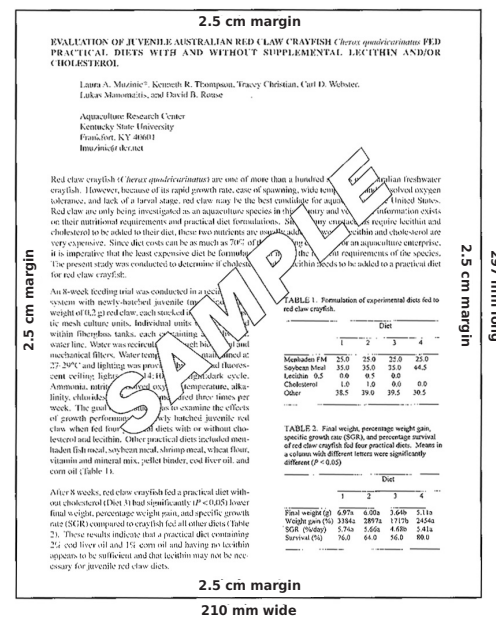

All presenters are required to pay their own registration, accommodation and travel expenses. WA2023 will not subsidize registration fees, travel or hotel costs.

No Abstract Book will be printed - an Abstract Book will be available online.

INSTRUCTIONS FOR PREPARATION OF ABSTRACTS

Extended Abstract Format - Please refer to the sample.

- TITLE OF PAPER :** The paper title is printed in CAPITAL LETTERS, with the exception of scientific names which should be Upper/lower case and italicized. Scientific names should not be preceded or followed by commas or parentheses or other markings.
- AUTHOR(S) :** The first name should be the presenting author. Use *after the presenting author. Type in upper/lower case.
- ADDRESS AND EMAIL :** Type only the presenting author's institution, address and email. Type in upper/lower case.
- MAXIMUM LENGTH :** One Page
- PAGE SIZE :** Standard 210mm x 297mm A4 paper (portrait)
- MARGINS :** 2.5 cm margin throughout (left/right/top/bottom)
- SPACING :** Single spaced
- PARAGRAPHS :** Paragraphs should be separated by a blank line and should not be indented.
- FONTS :** Character fonts should be 12 point type.
- FIGURES & TABLES :** Figures and tables are highly recommended. They should be reduced to the appropriate size for a one page abstract and should be clearly readable at the reduced size in black print only. The reduced figures and tables should be included in the abstract in camera-ready form.
- MEASUREMENTS :** Use metric units of measurement. When needed, English equivalents may be given in parentheses.

PLEASE SUBMIT YOUR ABSTRACT ONLINE

Submit abstracts via the internet at the meeting website : www.was.org Follow the complete instructions on the online submission.

If you are unable to submit your abstract online, contact the Conference Manager for alternative methods at : worldaq@was.org or Fax: +1-760-751-5003
