- 2nd International Larviculture Conference in Iran

After the success of the first edition in Dubai, the Middle East Aquaculture Forum is reaching out to another prime aquaculture destination in the Middle East.

The country's diverse knowledge base and its community of highly trained aquaculture professionals makes Iran, Teheran an obvious venue for the next MEAF edition.

With its central location in the Middle East, its direct access from/to over 78 global destinations and its state-of-the-art meeting facilities and hotels, Teheran is set to solidify the success of the Middle East Aquaculture 2015. This First Middle East and Central Asia Aquaculture includes several events. Asian Pacific Aquaculture 2015 is the annual meeting of the Asian Pacific Chapter of the World Aquaculture Society. The Middle East Aquaculture Forum is the second aquaculture event in the region. Also the International Shrimp Symposium 2015 was invited to take part in this event. This event will include a true International Aquaculture Conference and Exhibition.
