**1. INTRODUCTION**

We are pleased to have this opportunity to service all exhibitors participating in ASIAN PACIFIC AQUACULTURE 2018.

Our comprehensive range of services include customs clearance, transportation, on-site handling and re-export arrangements handled by our fully equipped and experienced team of executives, supervisors and workers.

This Shipping Manual will assist you in your preparation for the correct and timely despatch of your exhibits to Taipei. We advise you to read this manual carefully in conjunction with the Exhibitor's Kit issued by the organisers.

**TRIUMPH TRANS-LINK LOGISTICS CO. LTD.** will provide all lifting and handling equipment (such as pallet trucks, forklifts and cranes) on site for the moving-in of exhibits to the stands or vice versa.

We recommend that you engage the services of our overseas offices and agents worldwide for a complete logistics package for your exhibits 'door-to-door' from your country to your exhibition stand in Taipei. If you decide, however, not to use our recommended agents, we ask that you hand over this Shipping Manual to your freight forwarder for their compliance so that your exhibits can be correctly despatched and consigned to us. Failure to comply with the deadlines and instructions will cause unnecessary delays in clearance, and may lead to additional expenses incurred.

These two additional documents are required so that the container can be imported into Taipei as a FCL container without it being unstuffed in the port, and taken out as loose cargo.

For consolidated air shipments, a House AirwayBill for each exhibitor and a consolidation manifest must be issued.

## 8. **PACKING**

Exhibitors are advised to provide strong packing cases for the transportation of the exhibits which can withstand unpacking and re-packing operations. For main exhibits, we recommend bolted returnable type of cases to be used. This is to avoid unnecessary repair and reconstruction of cases in the event of damages due to handling whilst in transit.

## 9. **STORAGE OF EMPTY CASES**

Empty cases will be stored within the exhibition site if space is available. Your cases will be marked and stored systematically under shelter during the exhibition period in order to facilitate quick and early retrieval for the re-packing at the end of the exhibition.

### **Note for freight forwarders:**

Container detention fee will be levied by shipping lines for containers kept in use for an extended period of time. Free days allowed by shipping lines are usually up to 3 to 5 days after the discharge of containers at the port. Should you require us to keep the container within the exhibition site for storage purposes and subsequent re-export, you are to inform us of the container detention fee that has been negotiated with the shipping line.

## 10. **CPD CARNET**

The CPD Carnet is accepted in Taiwan in the case of countries having similar bilateral Agreements with the Republic of China.

## 11. **FILMS & VIDEO TAPES**

You are advised to courier these materials "Freight Prepaid" to us by APR. 11, 2018 to enable us to arrange for censorship clearance. 2 (two) copies of Invoice and Packing List and Power of Authority must be attached.

We would advise you against hand-carrying these items into Taipei, as they may be detained by the Taiwanese Customs and considerable time and effort may be required to clear them out in time for the exhibition.

**12. FOODSTUFF/BROCHURES AND GIVEAWAY ITEMS (CONSUMABLES)**

**a. FOODSTUFF**

- Foodstuff/beverages **MUST** be packed and documented separately from the exhibits to avoid delays in the customs clearance. It should be sent on a separate Bill of Lading or Airway Bill.

- Full description (such as total number of pieces, brand of product) of the foodstuff/beverage items must be clearly given on the Combined Commercial Invoice and Packing List.

Please be guided that imported foodstuff and beverages attract very high duty rates. No exemption will be granted.

**DO NOT MIX OR SHIP ALCOHOLIC DRINKS OR CANNED FOODSTUFF WITH YOUR EXHIBITS/STAND MATERIALS AS THESE ITEMS ARE SUBJECT TO STRINGENT INSPECTIONS BY THE TAIWANESE CUSTOMS/HEALTH AUTHORITIES.**

Failure to comply with these instructions will cause unnecessary delays in clearance, any may lead to additional expenses incurred.
