PRESS RELEASE AQUACULTURE AMERICA 2021

AQUACULTURE AMERICA 2021, which was rescheduled to be held August 11-14, 2021 will go forward on these dates with an in-person Conference and Trade Show. AQUACULTURE AMERICA 2021 will be held at the San Antonio Marriott Rivercenter, San Antonio, Texas USA.

We have considered the COVID-19 situation and we feel that with vaccination progress and the measured return of in-person gatherings, we can go forward with AQUACULTURE AMERICA 2021. Specific measures related to COVID-19 safety protocols at AQUACULTURE AMERICA 2021 will be announced at a later date to reflect the most current guidance.

We have received overwhelming interest from attendees and exhibitors asking us to hold this meeting in-person as many are eager for a return to face-to-face meetings.

So, please submit your abstracts, make your registrations, sign up for your booth and get ready to meet in San Antonio at AQUACULTURE AMERICA 2021.

The Student Abstract Award eligibility deadline has been extended to June 1st, 2021. Students must be current WAS and USAS chapter members at the time of submission to be eligible for abstract, video, and application-based awards. Please check membership status online at was.org to ensure eligibility.

Check the **AQUACULTURE AMERICA 2021 web page** (www.was.org) to register, view program updates, or to book your hotel reservation.

We look forward to seeing you in San Antonio!

Sincerely,

A handwritten signature in black ink that reads 'John Cooksey'.

John Cooksey
Conference Manager
