SECURITY

Aquaculture America 2014 will maintain 24-hour-a-day security staff at the Convention Center from the initial move-in period until 8:00 pm on move-out day. These guards will check to make sure that unauthorized persons are not wandering around the building.

Even with this protection, exhibitors are asked to take precautions in guarding their exhibits and personal belongings. Move-in and move-out hours are particularly sensitive times when thefts of small, easily carried items are more likely to occur (laptops, cell phones, instruments). We suggest that you plan your staff schedule so that your exhibit is not left unattended during these times. GES also has lockable cages available for rent so that sensitive equipment can be locked up.

AQUACULTURE AMERICA 2014 CANNOT BE HELD LIABLE FOR LOST OR STOLEN ITEMS.

MESSAGES

A Message Board will be located near the Registration Area where you can pick up messages or leave messages for other exhibitors or conference attendees.

Show Management cannot deliver messages to your booth. If you will be receiving phone calls during the exhibition, please plan to have your own phone in your booth or arrange to rent a cell phone or pager.

GENERAL RULES AND REGULATIONS

Each booth will be set with 8' high back drapes and 3' high side curtains. Nothing may be attached to this drape. All activities must be contained within your booth area. Distribution of literature or other activities will not be allowed in the aisles and lobbies.

- Loudspeakers and “carnival” tactics will not be permitted.
- All exhibitors should read and be familiar with the Rules and Regulations on the back of the Exhibit contract.
- There must be at least 6 feet of clearance at all exit doors.
- All cords at any doorways or across any aisles must be securely taped down and covered with carpet.
- You must have prior approval from GES to bring in any vehicle or machinery into the exhibit area. The gas tank must be drained and purged and have the battery disconnected. A drop cloth must be under it.
- Any material such as draping or curtains brought into the exhibit area must have a certificate stating that it is an inherently fireproof material or has been fireproofed.
- Appropriate business attire should be worn during the show.

Exhibitions are “public accommodations” under the provisions of the Americans with Disabilities Act (ADA). You should take care to comply with the provisions of the act. The IAEM Handbook for Accessible Exhibitions, a guide that contains detailed information about how you can achieve ADA compliance is available from the publications department of IAEM. Failure to comply with the ADA can be a serious matter involving litigation and fines. For further information contact IAEM at +1-972-458-8002.

All exhibits must adhere to the “IAEM Guideline for Display Rules and Regulations”. Contact us for a copy of the “IAEM Guideline for Display Rules and Regulations” for more information on exhibition rules.

REQUIREMENT OF LIABILITY INSURANCE
