

Performance of the sea bass and sea bream sector Thursday, October 16th within Aquaculture Europe 2014 at the Kursaal in Donostia-San Sebastian, Spain Chaired by Kjell Maroni (EAS) and Courtney Hough (EATiP)		
09h30-10h00	Registration and welcome coffee	
Overview of the issues		
10h00-10h05	Introduction and overview of the key issues.	Gustavo Larrazábal, Grupo Tinamenor and chair EATIP
10h05-10h30	Strategy for the production and marketing of salmon and a comparison with the sea bass and sea bream industry.	Bjorn Myrseth, Vitamar A.S
The challenges – prioritisation of the factors		
Three expert panels will make very short overviews of the key issues and bottlenecks, leading to discussion with participants and prioritisation of the challenges that need to be addressed.		
10h30-12h00	Panel 1. Potential impact of insufficient GENETICS/EPIGENETICS/BREEDING on the loss of performance , including brood stock selection and breeding programmes, brood stock conditioning, nutritional programming and larvae/juvenile origins and management.	Antonio Coli, Selonda Carlos Mazorra, Tinamenor Marc Vandeputte, INRA Anna Sonesson, NOFIMA Leonidas Papaharisis, Nireus
12h00-14h00	Panel 2. Potential impact of FEEDS/NUTRITION/INGREDIENT SUBSTITUTION on the loss of performance , including the evolution of Economic FCR; nutritional requirements and p Performance parameters to assess ingredient substitution.	Niels Alsted, Biomar Ramon Fontanillas, Skretting Marco Gilmozzi, Cosasrl Alessandro Moretti, Inve Sachi Kaushik, INRA Torbjørn Åsgård, NOFIMA
14h00-15h00	Lunch (on your own) and AE2014 trade show visit	
15h00-16h30	Panel 3. Potential impact of FISH HEALTH/DISEASES AVAILABILITY OF VETERINARY TREATMENTS on the loss of performance , including industry priorities for the most important diseases to resolve, key parasite challenges, preventative veterinary measures (including fallowing) and availability of veterinary treatments.	Patrick Smith, Tethys Francesc Padros, SDPP-UAB Panos Christofilogiannis, AQUARK Claudia Maira, Pharmaq Øystein Patursson, Fiskaaling
How to improve together?		
16h30-17h15	General discussion: PRODUCTION PERFORMANCE BENCHMARKING/FARM-SCALE RESEARCH/PRIORITIES. Moderated by Javier Ojeda, APROMAR	
17h15-17h30	Closing comments by the chairs	

NOTE: Simultaneous translation into Spanish will be provided.
